

BIRD'S-EYE VIEW OF BEAUTIFUL MT. WASHINGTON

Los Angeles Most Picturesque Residence District

20 minutes from downtown via yellow Garvanza cars: 1000 feet above sea level. Free from frost, fog, dust, smoke and noise; has \$50,000 incline railway, one of the finest in the world; all modern improvements, both public and private; commands finest view of mountains, valleys, cities and sea obtainable in Southern California. The most talked-about residence district west of Chicago. For handsomely illustrated booklet on Mt. Washington, write to Robert Marsh & Co., 140 West Fifth Street, Los Angeles.
